Isn't it ironic that a dude with 10 houses is cool with a \$7.25 minimum wage??

Let's finally Raise the Wage to \$15/hr. All work has dignity. Every paycheck should too. 🚀

the greatest thing i ever learned was that it's ok to not be ok. the weight that comes off your chest when you let go of always trying to be happy or be okay is so refreshing and relieving. i allow myself to not be ok, let those emotions be free and then pull myself back together
